The Next Generation of English Language assessment

High-quality multi-purpose English language assessment

LanguageCert Test of English (LTE) is a suite of tests that measure candidates' English language level in Reading and Listening. LTE qualifications can be used to prove general English language knowledge as well as for more specific purposes in the workplace and in education (entry or graduation requirements).

CEFR Levels	Scores	A1-B1		A1-C2	
		Paper-based*	Paper-based*	Computer-based* & Online exam	Computer-based* & Online exam
C2	90 - 100				
C1	75 - 89				
B2	60 - 74				
B1	40 - 59	Listening – 4 parts 32 questions 30 mins Reading – 4 parts 40 questions 40 mins Total duration: 70 mins	Listening – 4 parts 50 questions 50 mins Reading – 4 parts 60 questions 70 mins Total duration: 120 mins	Listening Approximately 26 questions Reading Approximately 30 questions Total duration: 60 - 90 mins	
A2	20 - 39				
A1	10 - 19				

*Candidates are advised that all paper-based and computer-based exams are taken at LanguageCert Approved Test Centres.

Innovation in the language testing industry

LanguageCert Online exams with remote, live invigilation

LanguageCert Test of English (LTE) A1-C2 computer-based test is also available as an Online exam. LanguageCert Online exams with remote, live invigilation is a new service that allows candidates to take an exam anytime (24/7/365), anywhere, delivering results in just 2 business days. All that is needed is a quiet room with no distractions, a computer, a webcam and an internet connection. A real person is always online to guide the candidate through the exam process. This is an innovative way of delivering exams that lead to the same qualifications as on-site exams: same exam, same certificate, same recognition.

Why choose LanguageCert Test of English (LTE)?

- **On-demand exams:**
 - Paper-based and computer-based; taken at Approved Test Centres
 - Online exams with remote, live invigilation; taken anytime, anywhere
- **Focus on real-life workplace language communicative skills**
- **Different exam formats**
 - LTE A1-B1 is taken in paper-based format, ideal for beginners who need to monitor their progress as they go
 - LTE A1-C2 test in paper-based, computer-based format or as an Online exam with remote, live invigilation. Ideal for intermediate and advanced candidates
- All candidates take the same test regardless of their language proficiency and they receive a **certificate depending on their performance**
- **Fast results, e-certificates & Digital Badges** in 2 business days & immediate preliminary results for Computer-based format
 - Hard-copy certificates shortly after results release
 - Life-long certificate validity
- **Regulated by Ofqual**, England's official qualifications regulatory authority

Who LanguageCert Test of English (LTE) is intended for

- Non-native speakers of English who want to provide documented evidence of their English language level
- Young professionals pursuing a language certificate to advance their career
- Professionals wanting to measure their English language level before and after language training that is provided by a third-party training organisation
- Students attending or planning to attend courses in English where proof of English language knowledge is required
