6. Glossa Candidate Appeals Policy

Introduction

This policy is aimed at candidates who are enrolled on or have taken a LanguageCert approved qualification, who wish to appeal against a decision taken by *Glossa*. It sets out the process you should follow when submitting appeals to us and the process we will follow when responding to appeals. This policy is also for use by our staff to ensure they deal with all appeals in a consistent manner.

Candidates must first go through *Glossa* appeals process before taking the matter to LanguageCert.

Review Arrangements

We will review the policy annually and revise it when necessary in response to customer feedback or requests from, or good practice guidance issued by LanguageCert (e.g. to align with any appeals and complaints process established by relevant regulatory authorities).

Appeal Types

Below, we have listed example “types” of appeal a candidate may make to *Glossa*.

- Appeals from candidates in relation to an assessment/examination on the basis that we did not apply procedures consistently or that procedures were not followed properly and fairly
- Appeals from candidates relating to a decision made by *Glossa* following an investigation into a complaint about a candidate
- Appeals from candidates relating to a decision made by *Glossa* following an investigation into a candidate’s behaviour when attending a LanguageCert assessment/examination.

Appeals Process

The appeals process follows 3 stages as set out below:

Stage 1:

Candidates should submit their appeal in writing to *Glossa*. The appeal submission must contain the following information as a minimum and be sent to info@glossa.cz:

- Candidate name and unique LanguageCert candidate number
- Title of the LanguageCert qualification the appeal relates to
- Full details of the nature of the appeal
- Any supporting evidence that is being submitted to substantiate the appeal.

Stage 2:

Once the appeal is received by *Glossa* it will be dealt with internally by Margareta Záborská, Glossa Academic Director. We will aim to review and fully respond to your appeal in *15 business days*, however please note, that in some cases the review processes may take longer, for example, if a candidate interview is required and/or further investigation. In such instances, we will contact you to inform you of the likely revised timescale. At all times, we will ensure that *Glossa* personnel assigned

to carry out the investigation of the appeal, or to oversee and manage the appeal have the appropriate level of training and competence and that they have had no previous involvement or personal interest in the matter.

Following the review of the appeal, we will write to the appellant with details of our decision to either:

- Amend our original decision in light of the new rationale/evidence being put forward and which has now been reviewed; or
- Confirm we stand by our original decision and in doing so, the rationale for this decision, and request that you confirm, within 10 business days, whether you now accept this decision or if you wish to formally proceed to the LanguageCert formal appeals process.

Stage 3:

If, after *Glossa* final decision you are still unhappy with the decision then you should follow the LanguageCert appeals process outlined in the LanguageCert Appeals Policy.

Centre Note – Fees

You should not impose financial penalties that would prevent a candidate from making an appeal, however you may decide to charge a nominal fee for handling appeals that progress beyond stage 1 that are NOT upheld. If upheld, the fee should be waived.

If your centre decides to charge a nominal fee for handling appeals it should clearly state the fee within its Appeals Policy and that if the appeal is upheld that the fee will be waived.
